

Sponsorship Program

2008 Annual Meeting & Conference
 Monday November 3, 2008
 The DCU Center in Worcester

Dear Colleague,

Details about our Sponsorship Program for the 2008 Annual Meeting & Conference can be found in this package. At the end of the package is a registration form that must be completed in order to enroll in a sponsorship. We realize that each company is unique and as such, the benefits offered in the following pages are flexible. REBA is willing to work with each sponsor in order to tailor an existing program to better suit the needs of an individual company. Please direct all questions to Joseph McBride at mcbride@reba.net or (617) 854-7555.

Once your registration form is completed, please return it to REBA, along with sponsorship payment. Sponsorships are awarded on a first-come, first-serve basis, so please send in your registration as soon as possible.

All sponsorship packages include the use of your logo on our website and various signage around the DCU Center. Please be sure to forward a high-resolution logo via email to mcbride@reba.net as soon as possible. Logos may be submitted in vectored format. For questions, please call Joseph.
