

ASSOCIATE ATTORNEY

Perkins & Anctil, P.C., a dynamic Westford law office, is looking to complement its current team with a talented junior or mid-level associate. The ideal candidate would have experience with real estate conveyancing, negotiating and drafting purchase and sale agreements, loan documents and conducting residential and commercial closings. We are looking for a committed and versatile self-starter who is unafraid to take on considerable responsibility and new challenges from day one. As a member of the team, you would be expected to deliver on the company's mission of consistently "exceeding client expectations."

This is an exciting opportunity to start or expand his or her practice and knowledge at an industry-recognized community association law practice. We offer competitive compensation and benefits (including health and dental insurance, and a matching 401K), as well as a collegial work environment. Please submit cover letter (including salary expectations), resume and writing sample. EEO.

Requirements:

- Juris Doctorate and admission to Massachusetts Bar required (dual MA/NH Bar admission preferred)
- 2-5 years of experience in real estate or conveyancing matters.
- Superior academic credentials.
- Strong communications skills, both verbal and written.
- Ability to attend closings regularly and with minimal advance notice.
