

# 2021 REBA VIRTUAL SPRING CONFERENCE

## Virtual Sponsor Program

To continue serving the needs of our members in today's era of social distancing, and remote work and learning, REBA's 2021 Spring Conference (SC21) will be a completely virtual experience. On Monday, May 3<sup>rd</sup>, video recordings of the pre-recorded breakout sessions, together with the session materials and syllabus, will be available to registrants online for 90 days. At 1:30 pm, there will be a live webcast of the plenary session and business meeting.

Below, you will find information on the SC21 Sponsor Program, including rates, benefits, registration forms and more. While this program typically draws upwards of 700 registrants, we hope that the accessibility of a virtual conference will draw a larger audience. Take advantage of this unique opportunity to showcase your company to a specific market of qualified prospects!
