

TOM PERRY, LEED AP BD+C

Senior Director of Engineering Services

Shawmut Design and Construction

560 Harrison Avenue

Boston, MA 02118

tperry@shawmut.com

As Senior Director of Engineering Services, Tom Perry has 40 years of mechanical construction experience, including 30 years of mechanical systems design experience. His expertise in evaluating M/E/P systems in existing buildings means your project team will have all the information needed to make informed decisions concerning both short-term and long-term goals for quality. Tom is in charge of Shawmut's Virtual Design and Construction Department, as well as its Sustainability Program.

Tom has a B.S. in Mechanical Engineering from Northeastern University and is a USGBC LEED® Accredited Professional Building Design + Construction (LEED® AP BD+C), International Ground Source Heat Pump Association (IGSHPA) Accredited Installer, and a member of American Society of Heating, Refrigerating and Air-Conditioning Engineers (ASHRAE) and the National Fire Protection Association (NFPA).

About Shawmut Design and Construction

Shawmut Design and Construction is a \$1.3 billion national construction management firm with a reputation for completing extremely complex and logistically challenging projects for the most high-profile clients in the industry. As a 100% employee-owned company, Shawmut has created a culture of ownership, proactive solution-making, and forward-thinking. Over eighty percent of its business comes from repeat clients, proving there is a strong focus on building lasting partnerships. Shawmut has offices in Boston, New York, Miami, Las Vegas, and Los Angeles. For more information, please visit www.shawmut.com.

Shawmut has won Best Workplace by Fortune Magazine four times, Fortune Best Workplace for Millennials, Great Place to Work's Best Workplace for Parents, and one of America's Best Employers by Forbes.
