

Peer-to-Peer Mentoring Program

OBJECTIVE

REBA's pioneering Mentoring Program was developed to assist members who are new to the practice of real estate law. It is intended to be flexible and informal, and to create collegiality between participants. Any REBA member is welcome to serve as a mentor, or to become a mentee. REBA mentors are experienced real estate lawyers, who are committed to providing newer lawyers with guidance to help them in their professional development.

GUIDELINES & PROCESS

The REBA program administrator will pair individuals based on their mutual areas of practice and geographical proximity of their practices. Once paired, the parties may network and communicate as they choose (*i.e., phone, email or in-person meetings*). Mentors are available to discuss real estate-related matters and provide guidance, for a period of six months. To participate in the REBA Peer-to-Peer Mentoring Program, complete the form below and return it via email to membership@reba.net, or via mail to: REBA, Post Office Box 432, North Easton, MA 02356.
